

See better – live better

Regular eye exams not only correct vision problems, they also can reveal early warning signs of more serious health conditions such as hypertension, cardiovascular disease and diabetes. So, schedule exams annually and you'll be set on a path to better health.

When you arrive, let the provider know you have an EyeMed discount.

Discounts may not be available at all participating providers. Please see EyeMed's online provider locator to determine which participating providers have agreed to the discounted rates. Please note your discount cannot be combined with any other discounts, coupons or promotions. Discount does not apply to materials or to EyeMed Providers' professional services other than a basic eye exam and dilation as necessary.

Eye exams available from independent doctors of optometry next to LensCrafters, Pearle Vision and Sears Optical in most states. Most doctors are independent. Doctors in some states may be employed by LensCrafters or Pearle Vision in some locations.

In California, optometrists are not employed by LensCrafters or Sears Optical, which do not provide eye exams.

For LensCrafters, eye exams are available from optometrists employed by EYEXAM of California, a licensed vision care service plan.

For Sears Optical, eye exams are available from self-employed doctors who lease space inside the store.
